The Orange Grove

绿满香庭

我们的设计目标是打造一个极具档次、奢华、和国际接轨的内部空间。我们请陈冲的女主角杨紫琼作为代言人，因其是亚洲最知名的名人之一，并代表了中西文化的完美结合。

我们的理念是把该空间当作一所位于市区的奢华现代热带亚洲平房来对待。通过参考亚洲奢华品牌如阿曼、悦榕庄等豪华度假酒店来打造一种强烈的空间感。

Our design goal was to create an interior that fulfils the pampered lifestyle of the sophisticated, ultra-wealthy, international jet-set market. We identified actress/celebrity Michelle Yeoh of Crouching Tiger Hidden Dragon fame, one of Asia's most recognized international celebrities as the "face of the development" as she embodies the best of the East and West lifestyle.

Our concept was to treat the apartment as a luxurious modern tropical Asian bungalow in an urban setting. We create a strong sense of place by referencing Asian luxury brands such as Aman resorts and Banyan Tree for the jet-set patrician/matriarch market.

空间既现代又古典，融合中西文化。我们设想以后的居住者是一个收藏中国古典青花及现代亚洲艺术品的收藏家。房间里的粉色墙面灵感源于粉彩瓷，客厅里的中式柜子饰以不锈钢。

The interior is both modern and classic, taking influences from the East and the West. We imagined the occupant to be a collector of both traditional Chinese blue and white porcelain and of modern contemporary Asian art. Even the shimmering pink walls of the study room take its inspiration from famille rose porcelain and the Chinese cabinets in the living room are wrapped in stainless steel.
